Proposal No. 2 to Proposal No. 8 listed in page 6 to page 29 of this Reference Documents for the General Meeting of Shareholders are all related to the transition to a company with an Audit and Supervisory Committee, reasons for the transition to a company with an Audit and Supervisory Committee, reasons for the transition to a company with an Audit and Supervisory Committee, reasons for the transition to a company with an Audit and Supervisory Committee, reasons for the transition to a company with an Audit and Supervisory Committee, Reasons for the transition to a company with an Audit and Supervisory Committee, Reasons for the transition to a company with an Audit and Supervisory Committee, Reasons for the transition to a company with an Audit and Supervisory Committee, Reasons for the transition to a company with an Audit and Supervisory Committee, Reasons for the transition to a company with an Audit and Supervisory Committee, Reasons for the transition to a company with an Audit and Supervisory Committee, Reasons for the transition to a company with an Audit and Supervisory Committee, Reasons for the transition to a company with an Audit and Supervisory Committee, Reasons for the transition to a company with an Audit and Supervisory Committee, Reasons for the transition to a company with an Audit and Supervisory Committee, Reasons for the transition to a company with an Audit and Supervisory Committee, Reasons for the transition to a company with an Audit and Supervisory Committee, Reasons for the transition to a company with an Audit and Supervisory Committee, Reasons for the transition to a company with an Audit and Supervisory Committee, Reasons for the transition to a company with an Audit and Supervisory Committee, Reasons for the transition

- 1. Outline of a company with an Audit and Supervisory Committee
  - Under a company with an Audit and Supervisory Committee, Audit and Supervisory Committee shall be set up, comprised of three (3) Directors or more, in place of Corporate Auditors and Board of Corporate Auditors, and the majority of its members are Outside Directors.
  - Directors Serving as Audit and Supervisory Committee Members hold voting rights at the Board of Directors, involved in the determination of proposals concerning the election and dismissal of Directors, the appointment and dismissal of Representative Directors, and other decision-making activities in general (except for activities delegated to Directors). Audit and Supervisory Committee holds authority to state its opinions at an Annual General Meeting of Shareholders regarding the election and dismissal of and remuneration for Directors excluding Audit and Supervisory Committee Members. Therefore, oversight function by Audit and Supervisory Committee Members and the Audit and Supervisory Committee is expected to improve in comparison with that by Corporate Auditors and the Board of Corporate Auditors.
  - Under a company with an Audit and Supervisory Committee, based on the provisions of the Articles of Incorporation, delegation of authority regarding certain decision-making to Directors is possible by resolution of the Board of Directors. The Bank believes that this will speed up decision-making process of business operations and further enhance the effectiveness of audit.
- 2. Reasons for the transition to a company with an Audit and Supervisory Committee

The Bank positions the enhancement of corporate governance as the most important management issue, and it has been striving to improve the transparency of management and ensure the promptness of decision-making. By making a transition to a company with an Audit and Supervisory Committee, the Bank believes that Audit and Supervisory Committee Members with voting rights at the Board of Directors will strengthen their oversight function at the Board of Directors, leading to further enhancement in the soundness and transparency of management. Moreover, with the delegation of authority of decision-making to Directors from the Board of Directors, further promptness of decision-making on business operations will be achieved, developing structure that allows swift and aggressive decision-making that is essential in the business environment surrounding the Bank.

#### 3. Proposal No. 2 to Proposal No. 8

In order to make a transition to a company with an Audit and Supervisory Committee, it is necessary to make amendments to the Articles of Incorporation, including establishment of new provisions concerning the Audit and Supervisory Committee and Audit and Supervisory Committee Members. In Proposal No. 2: Partial Amendments to the Articles of Incorporation, amendments necessary for the transition are proposed in addition to other changes.

Under a company with an Audit and Supervisory Committee, Directors who are not Audit and Supervisory Committee Members and Directors Serving as Audit and Supervisory Committee Members are elected separately. Accordingly, in Proposal No. 3, Proposal No. 4, and Proposal No. 5, election of Directors (excluding Directors Serving as Audit and Supervisory Committee Members), election of Directors Serving as Audit and Supervisory Committee Member, and election of Substitute of Directors Serving as Audit and Supervisory Committee are proposed respectively.

Moreover, under a company with an Audit and Supervisory Committee, remuneration for Directors is determined separately for Directors (excluding Directors Serving as Audit and Supervisory Committee Members) and Directors Serving as Audit and Supervisory Committee Members. Accordingly, in Proposal No. 6, Proposal No. 7, and No. 8, remuneration for Directors (excluding Directors Serving as Audit and Supervisory Committee Members), remuneration for Directors Serving as Audit and Supervisory Committee Members, and remuneration and contents of stock compensation-type stock options for Directors (excluding Directors Serving as Audit and Supervisory Committee Members ) are proposed respectively.

### **Proposal No. 2:** Partial Amendments to the Articles of Incorporation

1. Reason for the amendments
